

Product Catalogue

We are a world leading textile company. We're experts in the sourcing and distribution of textiles to key players within the global hospitality, retail and ecommerce markets.

Founded in 2005, Vision united a number of heritage-rich textiles companies who could offer a unique and intuitive product. By amalgamating these leading product brands into Vision, we've harnessed their knowledge and expertise to create a global textile company. In 2019, this was strengthened further with Vision's acquisition by US textile giant, WestPoint Group.

Today, we have ten global offices sourcing, supplying and distributing millions of products, created from hundreds of years of manufacturing experience, working with some of the world's most prestigious organisations.

Our passion for textiles is supported by our dedication to ethics, where we recognise our obligations to act responsibly, ethically and with integrity in everything we do.

## MORE THAN CLEAN BY VISION

**Vision's More Than Clean linen programme, offers a complete range of antimicrobial treated textiles.**

For over two years, Vision has been trialling and testing an innovative antimicrobial technology, which is added to pillows and duvets at the point of manufacture. The product efficacy has now been tested for the commercial environment, lasting for more than fifty washes, along with ISO 9001: 2008 accreditation, Oeko-Tex® Standard 100 certified (Classes I, II, III, IV), Biocidal Products Regulation (BPR) approval and independently tested by SGS, Aston University and the University of Leicester.

Bed and bath linen which have this effective and long-lasting antimicrobial technology applied have been proven to help protect against the spread of Coronavirus, killing more than 80% than untreated textiles and has up to 99.99% efficacy against harmful pathogens including E-coli, Legionella, Aspergillus, Niger (mould), Odour-Causing Bacteria, Listeria, MRSA, and Salmonella.

All Vision filled bed linen is now produced with the antimicrobial treatment applied. This can also be applied to any of Vision's flat bed linen and bath linen.
